INSTALLATION

Client Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by "do-it-yourselfers."

Do not damage the vehicle during installation.

If the vehicle is equipped with the cargo management cover or cargo net, go to step 2; if not, go to step 1.

1. Open the tailgate. Place the cargo tray inside the cargo area.

With cargo management cover or cargo net

2. Using a utility knife, cut the cargo tray as shown.

3. Open the tailgate. Place the cargo tray inside the cargo area.
