INSTALLATION

NOTE: Be careful not to damage the body.

1. Open the trunk.

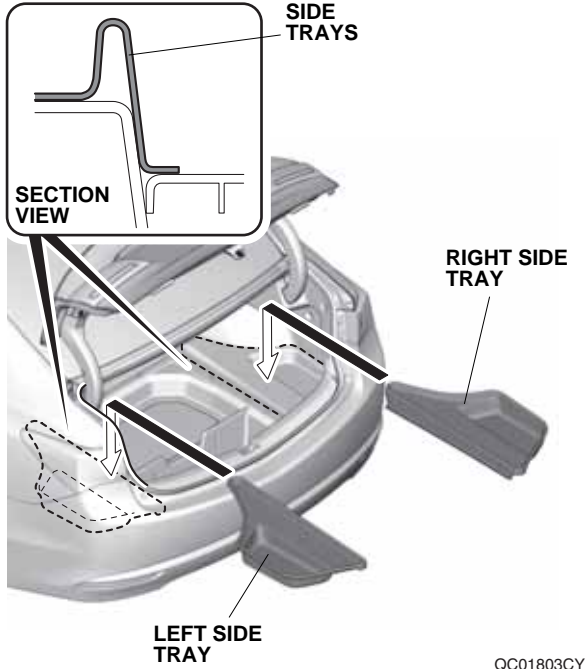

QC01801AY

2. Remove the trunk floor lid.

If the vehicle has the Advance Package, continue with step 3; if not, go to step 4.

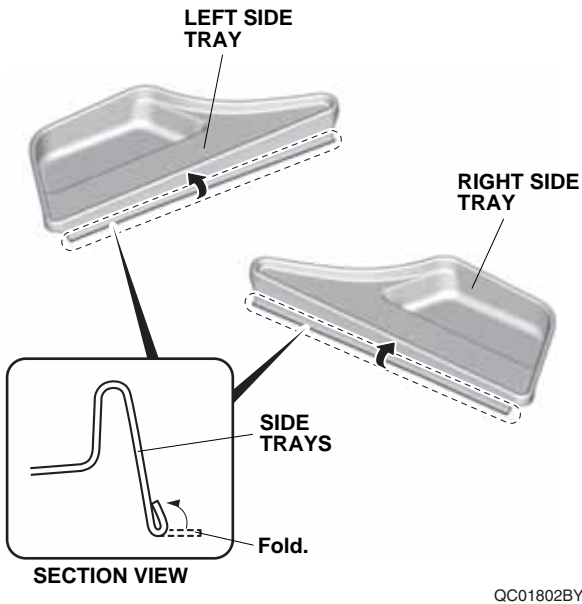

Advance Package

- Place the left and right side trays in the trunk as shown. Go to step 6.

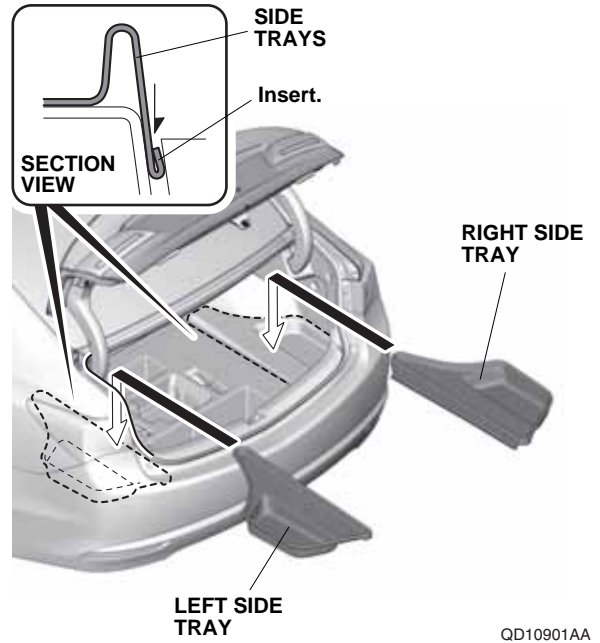

Except Advance Package

- Fold the lower flaps of the side trays over on themselves.

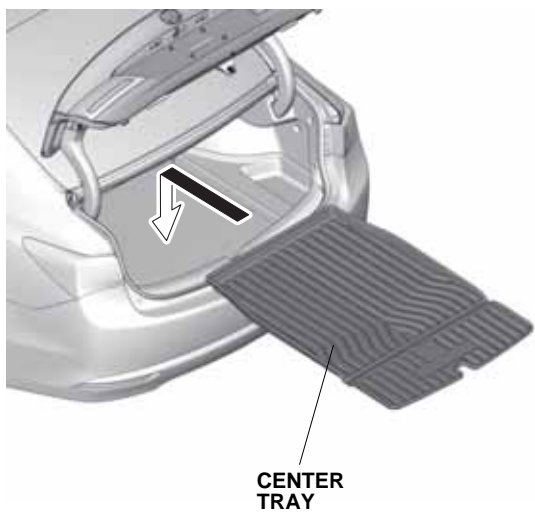

- Place the left and right side trays in the trunk. Insert the folded ends of the side trays into the gap as shown.

- Install the trunk floor lid.

7. Install the center tray in the trunk.
